

# JUSTICE DIVINE, Wh.D.

Dr. Justice Divine is a 5th Generation Healer, Wholistic Health Practitioner and CFO of Divine Alkhemi, Inc. He was born in Portsmouth Va. and educated in New York City. He was initiated into the heredity practice of the healing under the tutelage of his mother Barbara Rosser-Hardy, His mother began teaching him the family methods of healing at the early age of six. Dr. Divine was Trained in herbal pharmacopoeia by his grandfather a Master Herbalist and Homeopathic practitioner.

Dr. Divine's interest in Indigenous African Medicine peaked while living in NYC with a Nigerian (Ibo) family in the early nineties. After twelve years of research he has identified specific medical techniques that are used by his family, that are identical to methods used by various ethnic groups in West and Central Africa.

Dr.Divine has successfully used his knowledge of Indigenous African medicine to treat patients with Brain Aneurysms,(water,blood) Strokes, Diabetes, and related diseases. He has used his extensive training and gifts to engineer herbal formulas for auto immune diseases such as Thyroid dysfunctions, Lupus, Cervical and Prostate Cancers, Neurological, Muscular and Joint Pain Disorders. He is currently researching Natural Treatments for Breast Cancer in African American Women. Dr. Divine is the Co-Owner of the medicinal plant based skincare company, "Divine Alkhemi Wholistic Skincare" that was founded by his wife, Malikah Divine, in 2002.

Dr. Divine's training, research and practice is what inspired him to write, "The Dark Side Of Medicine" (A Psychohistorical Analysis of the Spiritual Philosophies of Indigenous African Medicine.) Dr.Divine lives in the greater NYC area with his wife and four children.
